

Car Technical Exception (2024)

Ref: **CTE-2024-071**

Motorsport UK can confirm that the Ferrari Owners' Club has been granted permission to permit an exception from General Regulation S.10.5 in the Ferrari Hillclimb Championship (Permit number CH2024/S033) in that -

- 348, 355 and 360 models are permitted to use original manufacturers wheel nuts
- These must be Ferrari part number 163370, installed in accordance with the original manufacturers recommended torque settings

This Exception is granted in order to accommodate the original manufacturer's specification.

Date Issued: 18 June 2024
