

FERRARI OWNERS' CLUB

COMPETITION AWARDS RULES

All trophies are perpetual and awarded annually, normally at the Club's Competition Awards Dinner. Trophies are awarded to MEMBERS competing in Ferrari cars at various specified events during the season and a list of these events will be available prior to the start of the season but additional qualifying events may be added at a later date. The Club reserves the right to delete any event from the list at any time if it is considered necessary. Trophies are only awarded when there is more than one eligible competitor. In those competitions where evaluation is carried out on a points basis, points may be gained with <u>one car only</u> in any single event and/or class. A DNF in a Circuit race will score 0 house points in that race.
